## Wish List Items

Your child will also appreciate having the following for rainy day recesses!

A shoebox size Rubbermaid container (they sell them at the dollar store, Target, Meijer, etc.) Inside the container, put items your child would enjoy doing during an inside recess time. Ideas: a coloring or activity book, a small bag of Legos, favorite puzzles where you can put the pieces in a Ziplock bag, magnetic shapes or blocks, playdough, etc. We do have activities for them to do here as well but this offers them some more variety 😊
